Profession of Faith

1. I believe in the one true Creator God (Father, Son Jesus Christ, and Holy Spirit) whom I love and seek to worship in spirit and in truth.
2. I believe that I am without excuse. Of my own free will, I like all have sinned & come short of the glory of God. I am deeply sorry for my sins. I resolve to change, crucifying my flesh, repenting of my sins, by submission to the Holy Spirit, through faith in Jesus Christ who summons, saves & strengthens me, that I may glorify my God.
3. I believe in Jesus Christ of Nazareth, the Messiah/Saviour of whom the prophets spoke. That Jesus who was conceived of the Holy Spirit, born of the virgin Mary, and who lived a perfect qualifying sinless life.
4. I believe Jesus suffering, crucifixion unto physical death, shedding of blood, burial, & resurrection are dated during time of Pontius Pilate.
5. I believe the third day Jesus arose from the dead and yet lives. He presented himself to his disciples and afterward ascended into heaven.
6. I believe all this was done by God's love, grace, & mercy to forgive & save me from my sins, giving hope for resurrection/ascension into eternal life in Heaven, avoiding eternal death in Hell/Lake of Fire.
7. I believe Jesus now sits at the right hand of the Father, interceding and watching over me. I believe Jesus will one day return to judge the world in righteousness and truth when everyone must give an account of his life before Jesus Christ. It is best I prepare for that day!
8. I believe that regular community assembly for worship and fellowship helps to assure my faith is true, to prepare me to live a life of faith, and thus prepares me (and positions me to help others) to prepare for the day of judgment. For I am to be a faith example to the world.
9. I believe sufferings of this present time are not worthy to be compared to the glory that shall be revealed in me. I therefore shall not give up on God who won't forsake me; I shall not give up on my life. I shall not be ashamed and shall rejoice in suffering as a Christian.
10. I believe the Holy Bible is the Word of God for salvation and the standard of spiritual truth regarding all areas of life everywhere I am, whether at home, church, work, or play. By Holy Bible I mean the 1611/1769 King James Version (KJV) and any ancient and modern translations that are consistent with the KJV's spiritual truths.
